

David Hamilton Nichols

Transformational Speaker, Author, Social Impact Investor,
and Producer.

As an international speaker, David inspires his audiences, from colleges and universities to businesses and organizations, to enable people to learn how to reach their full potential and create a more vibrant society. As an author, he is a published poet and article writer and is currently finishing his book *Mastering the Madness: Live Your Best Life, and Create a Better World*. As an investor, he invests in innovative startup companies and renewable energy projects that add value to the planet and her people. He has numerous ventures in his portfolio, for many of which he has served as a board member or strategic advisor. As a producer, he focuses on series and documentaries with several projects now in various stages of development.

**Sustainable practices for transforming our
lives, businesses, and institutions with
balance in a world of extremes**
